

The Sustainable Built Environment Speaker Series

The Institute for Research and Innovation in Sustainability (IRIS) presents:

Tour of the Earth Rangers Centre – LEED® Gold Certified

Monday, March 23rd

10 am-12 noon

Come join us for a tour: A “living lab” of leading-edge green design and technology. Located on the Toronto and Region Conservation Authority’s (TRCA) Living City Campus. Discover how green buildings function and integrate into our society.

Contact Dominika Czerwinska (minc85@gmail.com) to make a reservation! Limited spots available! \$10 fee included! Please contact before March 16th.
