

**The Program on Water Issues
at the Munk Centre for International Studies
University of Toronto**

Invites you to attend

***A Special Presentation by Scott Vaughan,
Commissioner of the Environment and
Sustainable Development, Office of the Auditor
General***

The Commissioner of the Environment and Sustainable Development provides parliamentarians with objective, independent analysis and recommendations on the federal government's efforts to protect the environment and foster sustainable development.

Please attend this special presentation concerning the Commissioner's mandate, and learn about results of a recent study on decision making for sustainable development, including tools, techniques, approaches, information and indicators.

Friday, March 5, 2010

12:00 - 2:00 EDT
